Laurencekirk Primary School

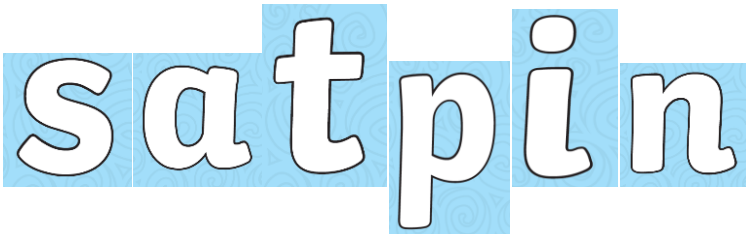
Early Level Home Activities (Nursery-P1)

Measuring:

Measure the length of 5 items. Use coins, paper clips, pens or something similar to measure the items. Line up the coins along the length of the item, then count the number of coins to see how long it is. Tell an adult what the longest item was and the shortest item was.

Playdough Letters:

Make playdough using this recipe. Roll it out and see if you can make these letters:



Seasons Pictures

Create a picture for each of the seasons: spring, summer, autumn and winter.

Draw some of the activities that take place in each of the seasons. Use the colours that you would see in each season.
