Laurencekirk Primary School

First Level Home Activities (P2 – P4)

Information Poster

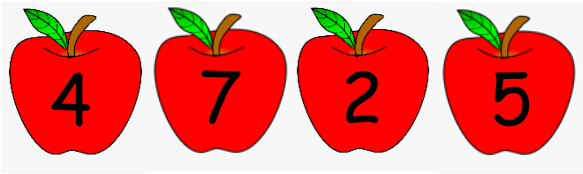
There have been a lot of changes to the routines we have in school. Draw a poster explaining to your teacher what we need to do to keep ourselves safe.

Apples and Pears Challenge

Pick a pair of apples. Write down and add the two numbers together.

Pick a different pair of numbers. Write down and add the two numbers together. Keep repeating and see how many answers you get.

Now take one number from the other. How many different answers can you get?



Random Act of Kindness

Organise a movie night for yourself and your family.

Which materials dissolve in water?

https://www.bbc.co.uk/bitesize/topics/zrssgk7/articles/zpd6hyc

Click on the link for BBC Bitesize. There is an experiment that you can do to see which materials dissolve in water. If you click on the picture of each of the materials it will tell you if you are correct. Try as many of the materials you can find in your house. Draw a table to show your results.
