Welcome Back

Hello everybody and a very warm welcome to a brand new school year. We love this time of year, there is just so much to look forward to! We have welcomed back some familiar faces to our nursery as well as having the pleasure of meeting many new ones! Our new boys and girls are settling in very well and are lucky to have the support of their more experienced class mates. It is lovely to have our nursery team back together again too. Mrs Smith is new to the school as our Depute Head. She is thrilled to be our new line manager. Her photograph is up in the foyer!

Planning

We plan a wide variety of learning experiences in the nursery and the children are fully involved in this process. Our plans are recorded in our 'floor book.' We would absolutely love your contributions to this book. Your feedback helps us to make sure our planned learning meets the needs of the children. You will also receive our planning by email fortnightly and we will happily receive your feedback in this way too!

We appreciate all of your comments as it helps us to ensure that we are getting it right for your children.

Working Wall

The children are learning about the seaside at the moment. We would be very grateful if your child could bring in some photos/objects linked in to this for our new working wall. Perhaps they have a memory or story to tell us that links in with this theme? We would love to hear these!

Snack

Snack is an important part of the nursery experience. Of course, it enables us to promote healthy food choices but it is also a super way of helping your child develop their communication and social skills as they interact and cooperate with their friends.

Fee	Attendance
