November 2015

## Veterinary Surgery

The children have continued with their interest in caring for animals in our vet area. They have been taking on the role of vet, receptionist and pet owner. Some of the children have also linked their own home experiences of caring for their own pet and have shared this information within their group.

We have discussed the different job roles within a veterinary surgery and the children have enjoyed investigating this topic further.

We would like to thank Mrs Kerr (Anna's mum N1) for coming into the nursery to talk to the children about her job as a vet.

## Christmas Play

We would like to invite you to our Christmas Play. Please go to the main entrance and you will be directed to the hall.

Nursery 1 - Thursday 17<sup>th</sup> December 9:30

Nursery 2 - Friday 18<sup>th</sup> December 10:30

## Halloween

Thank you for taking part in our Halloween themed session. The children enjoyed explaining their costumes to their group leader and taking part in the variety of activities that were on offer. The most popular being the feely box activity which was filled with gunk and slime.

## Outdoor Clothing

Please ensure that your child comes to nursery with suitable outdoor clothing. Some of the children are wearing hoodies/sweatshirts as jackets and are disappointed when they are unable to go outside in wet weather. We go outside everyday and would appreciate it if you could talk to your child about what is in their bag to keep them cosy outside e.g. hat, gloves. This will help them to become more aware of their own belongings and increase independence.

### Childsmile

Both classes have had a recent visit from Dot who came to speak to us about looking after our teeth. This was a practical session involving the children having to decide if a particular food/drink was healthy for their teeth. Miss Wood volunteered her N1 group to demonstrate best dental practice and Dot was suitably impressed with their knowledge.

### Baking

In preparation for our Halloween themed session each group took responsibility to prepare something for snack. This has sparked the baking bug in several of our children who have been baking apple sponge cake, fairy muffins and pumpkin pie. They have been sharing their own stories of baking linked to home experiences. We have been discussing the baking process as well as how to prepare food safety and the importance of hygiene.

Thank you for your  
continued support.  
From the Nursery  
Staff Team.

### Snack Payment Term 2

Thank you to those who have paid their snack fee.

#### Term 2 Snack Fee

£22.50	5 sessions per week
£18.00	4 sessions per week
