

# Laurencekirk Primary School

## Second Level Home Activities (P5-P7)

### **What does that times table look like?**

Pick a times table fact and write it in the centre of your paper.  
Around it, write or draw as many different ways you can show that fact.

### **Teach your Teacher**

Choose a topic that you are an expert in. Create a poster, PowerPoint or Fact Sheet to teach your teacher all about this topic. Then create a quiz to test your them.

### **Aviation Cargo**

Design and make a paper aeroplane that has the capability of flying at least 2 metres. Load up the cargo by taping on coins (one at a time) to see how much load your design can carry over the 2 metres.

### **Mindful Nature Hunt**

Draw or write a senses nature hunt for your family to do on a walk. List things for them to see, feel, hear and feel.
