

# Laurencekirk Primary School

## Early Level Home Activities (Nursery-P1)

### Thoughts and Feelings Song

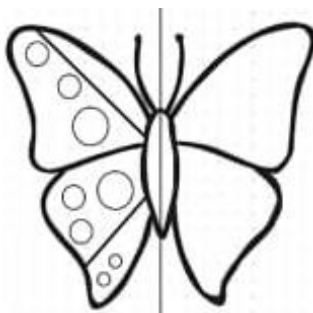

We would love you to help us to write some new verses for the 'If you are happy and you know it' song. Can you think of some actions for these emotions? Sing your new verses to your family.

### How Do You Feel Today?

### Nature Craft

Go on a walk or into your garden and put 10 different things into a bag. Make a picture with the things you have collected.

### Butterfly

Draw the butterfly or ask someone to help you. Make it look the same on both sides.

The butterfly is now symmetrical.
