Early Level Home Activities (Nursery-P1)

Sort It!

Ask an adult for a selection of objects such as hair clips, socks or toys. Then sort the items by size. Once you have finished, try sorting the items in a different way e.g. by colour, pattern, shape etc.

Junk Modelling:

Using any junk you have in the house make a carriage for Cinderella.

Move like a character from your favourite book:

Choose your favourite book and share it with another person.

Think about how the different characters in the book might move and how they would act. Pretend to be the different characters. What might they say? Would the character jump like Tigger, or be gloomy like Eeyore?
