

Laurencekirk Primary School

Second Level Home Activities (P5-P7)

Animal Airlines

Use the picture you will find at this link.

<https://www.pobble365.com/animal-airlines/>

Scroll down and find the story starter. Copy this down on paper and then complete the story about Animal Airlines.

If you finish this have a go at some of the other activities.

Give measurement a hand

Use your hand to measure the length of objects in your house.

How many hands long are they?

Measure your hand in cm's, can you figure out a way to work out the size of the objects you have measured without using the ruler.

Showing your working can you write down the measurements in cm's of the objects.

EG. My keyboard is 3 hands long.

My hand is 9 cms long

Therefore, my keyboard is _____ cms long

Musical emotions

Watch the following video:

https://www.youtube.com/watch?v=4BeEgD_bh2Y&feature=youtu.be&t=7

Think about the emotions Happy, Scared, Angry and Sad. Can you think of a song for that reminds you of each of these emotions?

Write the song titles on a piece of paper with an explanation of why it makes you feel that way.

Send it to your teacher through seesaw.
