

Laurencekirk Primary School

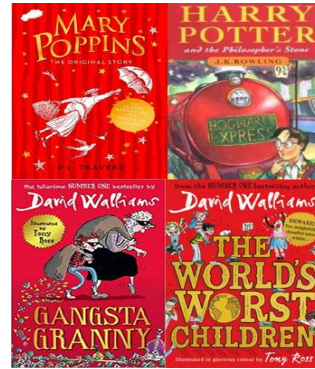

Second Level Home Activities (P5 - P7)

Think about a book which you are reading or your favourite book.

Would you recommend your book to a friend?

Explain your answer.

Which 3 adjectives would you use to describe the main character of the story?

Pie Charts

The pie chart shows the favourite school holiday of 40 children at Laurencekirk Primary School.

The number of pupils who prefer Christmas is 2 more than the number who prefer Summer. How many children prefer Summer?

Make your own pie chart questions to share with your family.

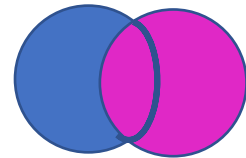

Which are magnetic materials?

<https://www.bbc.co.uk/bitesize/topics/zyttyrd/articles/zw889qt>

Click on the link to learn about materials which are magnetic.

Listen to the clip, play the game and take the quiz.

Draw a Venn Diagram with one set being magnetic and the other not magnetic. Find objects around your home. Draw them into the correct part of the diagram.

Random Act of Kindness

Leave positive Post-it notes around the house to make people smile when they find them.
