Thursday 31st March 2022

Dear Families

Silver Cloud

I would like to draw your attention to two new online courses for parents and carers which are designed to help support children and teens who are anxious. The approaches discussed are evidence based and known to help support children and young people who are struggling with anxiety.

Both courses are available right here:

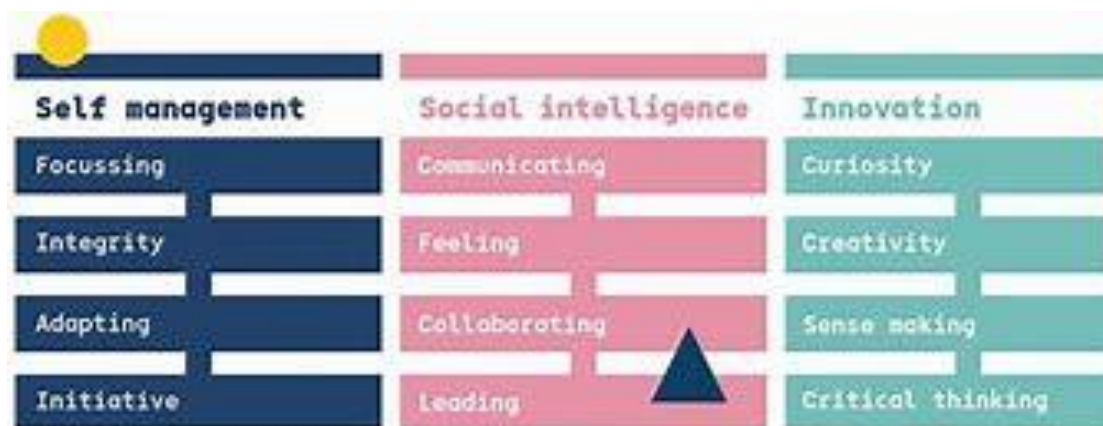

Silvercloud – supporting a Child or Young Person
<https://cypgrampian.silvercloudhealth.com/signup/>
ACCESS CODE: Grampian

There are two modules (one for children and one for teens) and if you wish to access both then simply choose a different username for each module.

Enterprise: Skills for Learning, Life and Work

We are coming to the close of another very busy and productive term in our school. Over the past few weeks our whole school has engaged in an enterprise project as part of our commitment to Developing our Young Workforce. We aim to support our children to develop a range of skills and attributes in addition to the acquisition of knowledge to enable them to fulfil their potential.

Our children need the skills to cope with change, as well as to take advantage of change and create it for themselves. In recent educational research, the skills required to achieve this have been classified under the three headings below. Our Enterprise has provided our pupils with many opportunities to develop all of these skills and I thank you sincerely for supporting us with this important work.

We would like to thank you all for your support by gifting each family with a lovely bunch of spring daffodils. Daffodils are a symbol of happiness and positivity and these are the exact thoughts that we wish to send your way! Thank you to Mrs Clark in the Office and our friends at Grampian Growers for supporting us with this gesture.

Crossing Patrol Reminder

As previously mentioned, there will be no crossing patroller on the High Street for at least the first two weeks back after the holidays.

Dates Reminder

School finishes on Friday 1st April at 3:15pm and is closed for the Easter holidays to school pupils and term-time Nursery pupils, and re-opens on Monday 18th April.

For our Nursery families who are all year, Nursery is closed on Friday 15th April.

I hope you all have a lovely break and look forward to the final term of the year and all the opportunities it will bring.

Kindest Regards

Jill Smith
Head Teacher
